

Checklist #1

Student Selection Criteria

Key Criteria for Participation in ICE Partnership Activities	Meets Criteria	Does Not Meet Criteria
1.Age: The student is 18 years old or older but will not turn 22 years old during the current semester		
2. Grade: The student is at least in his/her 5 th year of high school		
3. MCAS: The student is not likely to pass MCAS		
4. Person-centered plan: The student and family are willing to participate in a PCP prior to the start of the college semester or has already had a PCP		
5. Informational meeting: The student and parent/s have met with their HS liaison and college liaison to discuss college		
6. Family involvement: Family members are supportive and understand the expectations of the ICE partnership and of college in general		
7. Self-advocacy: The student knows his/her disability and is able to say what he/she is good at and needs help with.		
8. Transportation: Options have been explored and the student/family understands that public transportation will be used to get to and from the college.		
9. Independence: The student/family agrees to the principle of student gaining independence skills at college.		
10. Employment: The student/family understands that paid employment is a goal of this partnership and that the student is seeking paid employment as a personal goal.		
11. Time frame met: All expectations were met.		

*Participation in the ICE Initiative is dependent on state grant funding
